## ▶ RACING REPORT CARD

Get Free Racing Report Cards at [USRacing.com](http://USRacing.com)

**Conditions:** Race conditions, including (in order) date, track, race, distance in furlongs, surface (main/turf) and purse.

**#:** Horse's program number (when available).

**Name:** Horse's name.

**Speed:** Entrant's recent speed grade (A-F), with "A" being the fastest and "F" being the slowest.

**Class:** Horse's class grade for today's race, with "A" being best and "F" being worst. An up arrow (↑) indicates the entrant is moving up in class, while a down arrow (↓) indicates it is dropping in class (based on purse values).

**Jockey/Grade:** The name of the horse's rider and his/her grade (A-F). The grade is based on overall statistics for the past 1-2 years.

**Trainer/Grade:** The name of the horse's trainer and his/her grade (A-F). The grade is based on overall statistics for the past 1-2 years.

**Form:** An assessment of the horse's last race. Three check marks (✓) denote a "good" last race, while four check marks signify an outstanding last race. Horses that competed over a different general surface (dirt/synthetic or turf) last time out are not given a rating.

**Fitness:** A rating based on the number of days elapsed since the horse's last race. Four dots (●) suggest a horse that is razor sharp, while one dot is indicative of a horse that has been on the shelf for a while. Animals with zero dots are coming off a layoff of 100 days or longer.

**GPA:** A horse's grade point average or, more accurately, the sum of all its grades (on a 0-4 scale) divided by four. If a horse is rated in fewer than three categories, it gets a "UK" (unknown) designation. (There is a distinct correlation between a horse's GPA and its winning chances.)

**Bet:** Suggested play based on the horse's GPA *and* its GPA ranking — win (W), place (P) or show (S). However, keep in mind that playing every race and betting every suggested play will most surely produce a loss. The purpose of the "Bet" section is to give Report Card users information and ideas on how to approach a particular race, it is *not* meant to be a tout sheet. That said, certain types of horses *have* produced profits in the past and may continue to do so in the future:

◆ = Perfect GPA Selection.

👉 = Vulnerable Favorite (bet against).

👈 = Poor Favorite Pick.

Conditions	#	Name	Speed	Class	Jockey	Grade	Trainer	Grade	Form	Fitness	GPA	Bet
